Re: Special Election Regarding Petition to Change Form of Government

Dear Mayor and Commissioners:

On June 8, 2026, a petition proposing amendments to the Fargo Home Rule Charter and Fargo Municipal Code to change the City's form of government from the commission system of government to a council form of government was filed with the Office of the City Auditor.

By way of background, the City's current Home Rule Charter provides for a commission system of government consisting of five commissioners, all of whom are elected at large. One commissioner serves as Mayor; however, the Mayor and the remaining four commissioners each possess one equal vote on all matters before the City Commission.

The petition proposes amendments to both the Fargo Home Rule Charter and the Fargo Municipal Code to implement a council form of government. Under the proposed council form of government, six council members would be elected from six wards and a mayor would be elected at large. Unlike the current commission form of government, the mayor generally would not vote on matters before the council except to break a tie, but would possess the authority to veto ordinances and resolutions adopted by the council. Any such veto could be overridden by a two-thirds vote of the council members.

Pursuant to N.D.C.C. § 40-04-09, the City Auditor examined the petition and, on July 8, 2026, certified that it was signed by the requisite number of qualified electors. Under N.D.C.C. § 40-04-10, upon issuance of the certificate of sufficiency, the City Commission is required to call a special election to submit the question to the electors. The election must be held not less than sixty (60) days nor more than ninety (90) days after the City Auditor's certification. Accordingly, the special election must be held between September 6 and October 6, 2026.

The enclosed Resolution establishes the date of the special election, approves the ballot language, establishes polling hours, authorizes the City Auditor to designate polling locations, provides for absentee voting, and addresses other administrative matters necessary to conduct the election. A brief summary of those items follows:

Election Date

The Resolution establishes Tuesday, October 6, 2026, as the date of the special election. State law requires absentee voting to be available beginning forty (40) days before the election. Accordingly,

absentee ballots for an October 6 election must be available by August 27, 2026. Selecting October 6 provides the City with the maximum amount of time permitted under state law to prepare for the election, including printing ballots in time to meet the absentee voting deadline and completing the administrative preparations necessary to conduct the election.

Ballot Language

The proposed ballot language is as follows:

CHANGE FROM COMMISSION SYSTEM OF GOVERNMENT

Shall the city of Fargo change from its organization under the commission system of government and become a city under a ward-based council form of government.

Yes ☐

No ☐

North Dakota Century Code section 40-04-10 requires that the ballot present the "issue presented in the petition" in substantially the form set forth in the statute. The proposed ballot language follows the statutory language while adding the phrase "ward-based" before "council form of government." The proposed petition would establish a council consisting of six council members elected from six wards and a mayor elected at large. Because much of the public discussion regarding the proposed change in government has focused on the creation of wards, the additional language is intended to more clearly identify the issue presented in the petition and assist voters in understanding the measure they are being asked to approve or reject.

Polling Locations and Times

The Resolution provides that the polls shall be open from 7:00 a.m. to 7:00 p.m. and that all electors standing in line at the time the polls are set to close must be permitted to vote.

The Resolution further authorizes the City Auditor to designate one or more polling places within the City for the special election. In making that determination, the City Auditor may consider the Fargodome, Fargo Civic Memorial Auditorium, Atonement Lutheran Church, and such other locations within the City as the City Auditor determines appropriate. The three identified locations have confirmed their availability for the October 6, 2026, election.

The Resolution provides the City Auditor with flexibility in designating polling places because the City is continuing to evaluate the resources available to administer the election. Specifically, the City is determining whether Cass County will be able to provide some assistance with election administration and whether electronic voting equipment can be secured from the State. The level of available assistance and equipment may affect the number of polling places the City is able to operate for the special election.

Administration of Election

The Resolution authorizes the City Auditor to take the actions necessary to administer the special election, including appointing election officials, publishing the required notices, administering absentee voting, and utilizing electronic voting equipment, paper ballots, electronic poll books, paper poll books, hand counting of ballots, or other lawful voting methods as necessary depending upon the availability of election equipment.

SUGGESTED MOTION:

I move to adopt the Resolution calling a Special Election regarding the Petition to Change the City's Form of Government.

Sincerely,
